Dear Head-Royce Parents and Students,

We trust that you and your family are enjoying a restful summer. **Epicurean Group** is looking forward to serving your children, and the Head-Royce Community, for the upcoming school year. After a Successful first year we at Epicurean are excited to give you the best possible service, for you and your Children. With Talented Chef's and Cooks, we will strive to continue providing healthy, fresh, delicious food that will nourish the body and the minds of your children.

We are proud to be a local company whose employees possess unparalleled experience and skill. We live our passion for providing local fresh, natural, and organic food, prepared from scratch, every day. Always starting with the finest ingredients possible, and with listening to student feedback, we are able to customize each schools menu. We all truly love what we do; we believe it is our calling to serve and provide healthy, fresh, delicious food that you and your Student will learn to love and enjoy on a daily basis

Epicurean would like to explain the Head-Royce Campus Card, a cashless pre-order system for all school hot lunches. Upper and Middle School students will be able to use their student accounts for purchases, such as Beverages, Afterschool Treats, Snacks, and Daily Breakfast specials. Please see the School's web site for the Lower, Middle, and Upper School daily Menu's. The Great thing about having a school account, your student will not have to worry about carrying cash, and the account service is free of charge to you, as parents. Our cashless, web-based, pre-ordering system, will allow you to pre order your students lunches, at home from your personal computer, while paying with your checking account or ACH. Lunches must be ordered at least one week in advance; lunches ordered by 8:00 am on Friday, will be available the week following the upcoming week. The Head-Royce pre-order system will provide you with a detailed record of pre-ordered lunches at the Upper, Middle, and Lower School Campus.

Students in the Lower and Middle School campuses must have their lunches pre-ordered online.

Students in the Upper Campus must pre-order lunches online. Additional menu items at the Upper and Middle Campus will be available as impulse items only. These items may run out!!

Always pre-order lunch to ensure your student gets lunch.
