BIG 5 DRIVING RULES

Our driving rules are in effect 24/7.

1 **If you're in a private vehicle, you're in the Loop.**
All family drop-offs and pick-ups must use the South Campus Anna Head Loop. No Lincoln Avenue stops, no side street shortcuts, no back gate workarounds.

2 **Only students exit vehicles and trunks stay shut.**
Please don't load or unload belongings from the trunk and never walk between idling cars.

3 **No honks, no hassle.**
Keep the Loop peaceful—for safety and for neighbors.

4 **No U-turns. Seriously.**
That means no reversing directions on Lincoln, side streets, or driveways. No exceptions.

5 **Jayhawks don't jaywalk.**
Even when you are late.
