Michael's

For the coming year, the bus program—which is heavily subsidized by Head-Royce—will cost:

One student rider: $640
Two student riders: $800 per family
Three or more student riders: $960 per family

You also have the option to purchase single tickets or a bundle of 10 bus tickets, which is optimal for those who only ride the bus on occasion or would like a small supply of tickets available when accompanied home by a friend. Ticket bundles may be purchased from **Ana Gomez**, *Director of Operations*, at the Business Office in the gatehouse.

Single Ticket	10-Ticket Bundle
$5	$40

Whether you're riding the bus every day, a couple of days, or only once, everyone on the bus needs to have a bus ticket.

Ready to sign up?
Please complete the Michael's Transportation sign-up form accessible via the bus registration link in HRSConnect.
Please note that once you submit the form, Michael's charge will be added to your family's billing record.

Not sure if the bus is right for your family?
All students can ride free and try out the routes until Friday, September 4, 2026. *Subject to availability*

All Michael's buses will arrive at Head-Royce **before 8:25 am** and **depart at 3:30 pm**. If you need to contact Michael's Transportation Dispatch, call (707) 643-2099.

Please note: These are time estimates. If Michael's bus is 10 or more minutes late, parents will be notified via EZ Routing A2B Bus Tracking.
